## Tallinn

Tallinn's old town is situated on Toompea, a hill which forms the tourist centre and where most of the sites and booming nightlife is centred. There are many different bars and pubs in Tallinn. Most of them situated in the old town. Tallinn is especially rich in Irish Pubs. (Molly Maolones, - near the Town Hall square, St Patrick's - near Hollywood, O'Malley's - on Viro street etc) There are several "no-special-theme" bars and pubs, a lot of them situated near Karja street. Tallinn is full of great clubs all of which stay open till 4 in the morning ( Venus, Hollywood and Spirit are rated the top three). Strip clubs are available for men and women and are very up market. Them bars such as the Havana Club and the Nimega Bar are the main places to meet, and finally for the quirky there is the Depeche Mode Bar dedicated to the band with the groups video's playing all night.

Mission 3: paintball battle at our military centre. There are buildings, trees and many other barriers to make a proper war environment. During the battle our instructors add to the chaos by throwing smoke-grenades and incendiary effects.

### SUPREME STAG SAFARI

**What's it like?** Why? 'Cause boys just wanna have fun! Boys - you are about to become addicted to the Estonian way of having fun. Imagine doing crazy things with a hot blonde in a spacious jeep... Well, keep your pants on for the moment, the ladies at Tallinn Pissup are not that easy. First of all - you have to be sober for some part of the day as you are going to find yourself at a tankodrome driving off-road, or, well, trying to - with your eyes blind-folded. Your loyal friends will, of course, assist you to the best of their ability and give you some instructions. Remember driving school? This time it's so much better than that - your instructor is in her 20s, tall and blonde. Bungee-running and testing your marksmanship are next in line. The real fun, though, takes place at the official pub of SAKU brewery where you will become very good friends with Estonian beer (and that's probably not the only thing you'll be struggling with). Might be somewhat of a challenge after the shaking, twisting and turning on the tankie... can you handle it??

**Includes:** Jeep rental, lady driver, transport, shooting, brewery tour, beer tasting, snacks, CD photos.

**Approx. time:** Full day.

**Location:** 20 mins from centre.

**Availability:** All year.

**What's the minimum number to order?** Group size of 6 people.
